### Archive for June 2012

Hi Jonathan,

Unfortunately nothing new and I don't trust other files on the Internet to be honest.

The options are to print your design 100% and match with the case or send the case to us and have us verify.

Best regards,

Diane

I have a Pelican 1520 coming. Once I have it, I can provide some measurements that would help in creating a template for your software.
